
Notification of 5th UOU-TOPIK

(Korean Language Proficient Test conducted by University of Ulsan)

1 Objective

- Due to COVID-19 situation, a considerable number of students failed to take the TOPIK test and failed to meet their admission and graduation requirements.
- Accordingly, for students who fail to obtain TOPIK scores, university of Ulsan is planned to conduct our own Korean Language Proficiency Test (UOU-TOPIK).
- If a student receive a corresponding language level in UOU-TOPIK, this will be recognized as acceptance of the graduation requirement.
